Subject: Re: OPPT new chems weekly strategy meeting

We'll check tomorrow. We have always treated the Dispo date (i.e., effective date) for a Consent Order as the day EPA receives the signed Consent Order from the company not the date that the company signs the CO.

For the Week Ahead meeting we need:

- 1) May Statistics...absolutely correct (I did a pull in NCR of 'disposition dates' and noted at least two with May dates that were done well before May // my analysis is attached
- 2) OCSPP input/clearance of L-19-0033 letter (Ex. 6 Personal Privacy (PP) added some text as per OCSPP request; Ex. 6 Personal Privacy (PP) to Review; CCD to bring copies)
- 3) CBI disclosure Issue/Next Steps (Ex. 6 Personal Privacy (PP); they want a memo 'describing' like last time; want to know company; want to know if Alex should call them?)
- 4) Huddle Issues (Lynn D deferred from Th)
- 5) What else??

For OPPT:

- 1) SDS & Sign P-18-0125
- 2) POST Determinations for SNUR 19-2B
- 3) Figure out why #1 discrepancies are happening
- 4) Focus on Mon/Tues on getting DONE with L-19-003; P-16-0581; Dow case//Other Hair on Fire
- 5) FY19 Cases...Several are due 6/15; where are we?
- 6)
